Mr. Frederick Baron  
Special Assistant to the Attorney General  
Department of Justice  
Washington, D.C. 20530

Dear Mr. Baron:

The Attorney General and the DCI have agreed that the Foreign Counterintelligence Program of the FBI will be in the National Foreign Intelligence Program. However, a mutually acceptable Memorandum of Understanding to back up this agreement as yet has not been developed. It is in our interest to reach an understanding as soon as possible in order to permit the orderly conduct of program and budget development and review. Perhaps the most expeditious approach would be for us to meet in the near future for this purpose. I will call you later this week to set up an appointment.

Sincerely,
